Hi Adrian,

The UHRC would like to coordinate a response to Wilshire and San Vicensete Blvd to address the trash and unsheltered Veterans in the area and under the freeway. It is also requested that LAHSA conducts Outreach, Education and provide potential services to these individuals. This location is considered a priority due to the pending ABH site at 11303 Wilshire Blvd. Please let me know when your Teams are available so that we can address this location together. The UHRC Officers will utilize the Encampment App to identify the tents within a 1 mile radius of Wilshire/San Vicente. There is a pending CSLA for this location that is awaiting all 3 signatures.

Thank You all in Advance,

Emada
